IInd Corregendum for Central Computing Facility at Indian Institute of Information Technology, Allahabad (Ref: IIT-A/ENQ/FIP/468/2018)

The following are the effective changes for the tender Central Computing Facility at Indian Institute of Information Technology, Allahabad (Ref: IIT-A/ENQ/FIP/468/2018).

1. Change of the tender deadlines:

Last date for submission of bids	11:59 AM of Mar 6 , 2018
Availability of compliance forms for Technical & Financial Bids on the IIT-A website begins from	Latest Feb 23 , 2018
Opening of technical bids	3:00 PM of Mar 6 , 2018
Opening of financial bids	Will be announced either on the website or communicated through Email to the qualified bidders.

2. The following are modifications to the original tender:

Page#	Head	Original/ New clause	Modified text
1	Authorization & Prequalification	Server OEM criteria	<ol style="list-style-type: none">1. Server OEM brand must be listed in latest Top500.org list having at least one entry. Proof must be attached.2. Server OEM must have installed at least 5 InfiniBand/OPA fabric based HPC Clusters in India, including at least 2 for Government organisations during the last 5 years. These HPC clusters should have CPU-CPU performance of 25 TFLOPS or higher. Documentary proof should be submitted.

Clarification:

1. GPU Node (Type 1) for HPC currently required (as per corrigendum) is similar to GPU Node (Type 2) in the original tender. As stated already, it is populated with 2xV100 GPUs with a provision to add 1 additional V100 GPU card.

Note: All the other terms and conditions will remain same.
